

Product: PC 9000 MK IV

**SUBJECT: PC 9000 MK IV WITH MULTI COLOUR DISPLAY AND EMC IMPROVED POWER CONNECTOR.**

SKANTI hereby has the pleasure of introducing the new PC 9000 MK IV

1. Multi colour display as standard.
2. New EMC improved power connector.
(Please note that power cables from earlier PC 9000's will not fit the new DC termination in PC 9000 MK IV).

The following serial number series will be the new PC 9000 MK IV:

FIRST SERIAL NUMBER	LAST SERIAL NUMBER
613719	613778
614419	614478
618746	618785
620690	620709

All PC 9000's with serial numbers higher than **622129** will be the new PC 9000 MK IV.

For further information, kindly contact the SKANTI service department.
